Call to order: The meeting was called to order at 4:01 p.m. by Jamie Knowlton, Chairman.

Item 1: Meeting Minutes from July 6, 2016: The Minutes of the 7/6/16 meeting were brought up for approval. With a correction to the attendance record, Jim Anathan made a motion to approve the minutes, second by Jim Gustafson and approved by a vote of 3-0, with Patrick Keelty and Tom Fridstein abstaining.

Item 2: Comprehensive Plan Process Update: The Community Development Director advised that the Town received (6) proposals as a result of their Requests for Proposals from consultants interested in helping with the Comprehensive Plan Update. Staff read through all six and made the first cut, leaving (4) firms that will be interviewed on 8/10/16. All four will make their presentations on that day, and a selection committee will ask questions and decide who will be chosen. She asked for volunteers from the Planning Commission; Tom Fridstein volunteered, others had to check their schedules before committing.

Once the process has begun, the Planning Commission will devote the first regular meeting of each month to “Long Range Planning” with the idea that these meetings will bring the consultant before the Planning Commission for updates on their progress. The Consultant will be using the existing Comprehensive Plan to outline the subjects that need attention, then come up with ideas on what to update, what may not need updating and adding new

items as their feedback indicates, through public meetings, social media outreach, etc.

Adjournment: The meeting adjourned at 5:35 p.m.
