

SPECIAL EVENT VENDOR LICENSE

Special Event - Wildlife Requirements

Each Applicant must fill out and return this form.

Snowmass Village is surrounded by wilderness. Wildlife species such as black bear, red fox, raccoon and coyote are abundant. It is necessary to protect all animals from human food, compost and garbage. Your help is critical if we are to successfully co-exist with wildlife in Snowmass Village. If bears are able to access food at an EVENT, they can become bolder and more persistent in obtaining human food. This encourages property damage and dooms the bear to euthanasia. The feeding of wildlife is against the law. As a vendor at any Snowmass Village event, planning your event to comply with Snowmass Village Wildlife laws is required.

Snowmass Village Wildlife Laws

Section 7-157: FEEDING of WILDLIFE

(\$ 50, \$250, Summons to Court)

No person shall knowingly leave or store any refuse, food product, pet food, grain or salt in a manner, which would constitute a lure, attraction or enticement of wildlife.

Section 7-155: SPECIAL EVENT REFUSE DISPOSAL

(\$250, \$500, Summons to Court)

Outdoor special event sites shall be kept free from the accumulation of refuse edible by wildlife. Refuse must be collected from the grounds at the close of each day's activities and shall be deposited in wildlife resistant containers* or enclosures, or be removed to an appropriate disposal site. ** Wildlife Resistant containers are fully enclosed metal containers with locks.*

Tickets can be issued for these violations. Please contact us, or your Event Coordinator, early in the planning stages, to create a Wildlife Protection Plan for this event. [Snowmass Village Animal Services at \(970\) 923-5330](tel:9709235330) / animal@tosv.com

I have read the Sections 7-155 and 7-157 of the Town of Snowmass Village Wildlife Ordinance.
I understand that leaving any food/drink product, compost or refuse, (opened or unopened), available to any wildlife at this event, is against the Town's Wildlife Ordinances.
I understand that violations can result in citations being issued.
